EDUCATION

Modern Institute of Technology and Research Centre College, Alwar June 2025
Bachelor of Technology in Artificial Intelligence and Data Science
CGPA 8.00

Adinath Public School, Alwar Feb 2020
Senior Secondary in PCM
Percentage:87%

About Me: Motivated and detail-oriented Frontend Developer with a strong foundation in web technologies. Passionate about designing and developing responsive, user-centric websites using modern tools such as React.js, Tailwind CSS, and also use modern animation libraries like Framer Motion and GSAP to create smooth and interactive animations. Eager to contribute to a collaborative team and grow in a fast-paced tech environment.

TECHNICAL SKILLS

Programming Languages: Visual Basic, C, C++, Java, Python, Typescript
Frontend Tech: HTML5, CSS3, JavaScript, React.js, Router & Redux
Styling: Tailwind CSS, Bootstrap, SASS, Material UI, Framer Motion, GSAP
Version Control: Git, GitHub

PROJECTS

CineVault — React.js, Movie Database API Sept - Oct 2025

- Developed a movie web app to browse popular, top-rated, and upcoming movies.
- Integrated a movie database API to fetch and display real-time movie data.
- Built responsive UI with reusable components for a smooth user experience.
-

AI Agency App — React.js, Tailwind CSS, Framer Motion Oct - Nov 2025

- Developed a modern AI agency web application with a responsive and interactive UI.
- Utilized React.js for dynamic component-based architecture and efficient state management.
- Implemented smooth animations and visually appealing design using Tailwind CSS and Framer Motion.

Portfolio Web App — React.js, Tailwind CSS, Framer Motion, AOS Jan - Feb 2026

- Developed a responsive portfolio website to showcase projects and skills using React.js and Tailwind CSS.
- Implemented smooth animations and scrolls effects using Framer Motion and AOS.
- Built reusable components and optimized performance for a clean, modern user experience.

SOFT SKILLS

- **Problem Solving:** Able to analyze issues logically and develop efficient, practical solutions quickly.
- **Team Collaboration:** Work effectively with team members by communicating clearly and supporting shared goals.
- **Communication Skills:** Communicate ideas and technical concepts in a clear, simple, and professional manner.
- **Attention to Detail:** Ensure accuracy and quality by carefully reviewing work and catching small errors early.
