SUMMARY

I am a motivated and detail-oriented Frontend Developer with a strong foundation in web technologies. I am passionate about designing and developing responsive, user-centric websites using modern tools such as React.js and Tailwind CSS. My experience includes creating interactive and smooth animations with libraries like Framer Motion while eager to contribute to a collaborative team in a fast-paced tech environment.

EDUCATION

Bachelor of Technology in Artificial Intelligence and Data Science

Modern Institute of Technology and Research Centre College

08/2021 - 06/2025

Senior Secondary in PCM

Adinath Public School

05/2018 - 02/2020

PROJECTS

Resumify (AI Resume Analyzer)

03/2026 - 04/2026

React.js, React Router, Tailwind CSS, Puter AI, LLM Integration, Zustand

- Developed an AI-powered resume analyzer delivering ATS scores and structured feedback.
- Implemented PDF-to-image processing and file handling for seamless resume uploads and analysis.
- Built a responsive and interactive UI using React and Tailwind CSS with optimized performance and user experience.

Portfolio Web App

01/2026 - 02/2026

React.js, Tailwind CSS, Framer Motion, AOS

- Developed a responsive portfolio website to showcase projects and skills using React.js and Tailwind CSS.
- Implemented smooth animations and scroll effects using Framer Motion and AOS.
- Built reusable components and optimized performance for a clean, modern user experience.

Agency.ai App

10/2025 - 11/2025

React.js, Tailwind CSS, Framer Motion

- Developed a modern Agency web application with a responsive and interactive UI.
- Utilized React.js for dynamic component-based architecture and efficient state management.
- Implemented smooth animations and visually appealing design using Tailwind CSS and Framer Motion.

CineVault

09/2025 - 10/2025

React.js, Movie Database API

- Developed a movie web app to browse popular, top-rated, and upcoming movies.
- Integrated a movie database API to fetch and display real-time movie data.
- Built responsive UI with reusable components for a smooth user experience.

SKILLS

React	JavaScript	Node.js	SQL
MongoDB	Git	GitHub	Tailwind CSS
Framer Motion	GSAP	Visual Basic	
C/C++	Java	Python	TypeScript
HTML5	CSS3	Router	Redux
Bootstrap	SASS	Material UI	

STRENGTHS

Problem Solving

Able to analyze issues logically and develop efficient, practical solutions quickly.

Team Collaboration

Work effectively with team members by communicating clearly and supporting shared goals.

Communication Skills

Communicate ideas and technical concepts in a clear, simple, and professional manner.

Attention to Detail

Ensure accuracy and quality by carefully reviewing work and catching small errors early.
